Highlights

Elastic sides and bottom
Sides and bottom contract and expand to provide a snug fit

Magnet clasp closure
Provides a secure closure for case

Rotating belt clip
The rotating belt clip makes it easy to carry your mobile phone handsfree in either a horizontal or vertical position. Just attach the rotating clip on the back of the case to your belt and you're ready to conveniently and comfortably carry your mobile phone so that it's available whenever you need it.

Durable nylon construction
Will handle wear and tear better than other construction materials
